

# Nuvionx

Advanced Clinical Engineering Solutions

**Precision** Redefined

## About Us

Nuvionx Ltd. is a trusted provider of biomedical engineering services, specializing in the maintenance, calibration, and repair of medical equipment.

Our team of skilled engineers is trained to service a wide range of devices commonly used within NHS and private healthcare facilities.

We are committed to delivering high-quality, cost-effective solutions to ensure the reliability and safety of medical equipment.

## Our Services

### **Preventive Maintenance & Servicing**

Regular maintenance to enhance equipment lifespan and reduce downtime.

### **Calibration & Performance Testing**

Ensuring compliance with manufacturer and regulatory standards.

### **Breakdown & Repair Services**

Rapid response to minimize disruptions in patient care.

### **Dental Equipment Services**

Specialized maintenance and repair for dental chairs, x-rays, and instruments.

### **Bed Management:**

Reliable maintenance and quick repairs to keep hospital beds operational and patients safe.

### **Technical Support & Training**

Assisting clinical staff in proper usage and troubleshooting of equipment.

### **Asset Management & Compliance Support**

Keeping track of medical devices and ensuring regulatory adherence.

## Client Testimonials

*“Nuvionx has consistently delivered exceptional service with a high level of professionalism. Their team ensures all work is completed within quality timelines, adhering strictly to safety regulations. Their attention to detail and commitment to excellence have made them a trusted partner in maintaining our medical equipment.”*

**— Clinical Engineering Department, Milton Keynes University Hospital**

## Our Sustainability Commitment

At Nuvionx, we believe in extending equipment lifespan through expert maintenance rather than premature replacement.

Our approach:

### **Reduces Medical Waste:**

Extending equipment lifecycle and minimizing disposal

### **Optimizes Energy Efficiency:**

Fine-tuning equipment to operate at peak efficiency

### **Promotes Responsible Repair:**

Prioritizing repair over replacement when feasible

### **Sustainable Operations:**

Minimizing our own environmental footprint in daily operations

## Why Choose Nuvionx?

### **Experienced Engineers**

Trained in servicing a broad range of NHS equipment.

### **Competitive Pricing**

High-quality services at market-friendly rates.

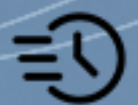

### **Compliance & Standards**

Adherence to NHS guidelines and industry regulations.

### **NHS References Available**

Proven track record with healthcare providers.

### **Fast & Reliable Support**

Minimizing equipment downtime to ensure patient safety.
